All papers presented at SEASUG conferences are eligible to be published in the SEASUG Proceedings, currently hosted by the North Carolina State University Institute for Advanced Analytics (https://analytics.ncsu.edu/) Lex Jansen (https://www.lexjansen.com/). Your paper cannot be included in the Proceedings without consent of the authors and, when necessary, an author's organization. If any author's organization requires approval for publication of this work, it is the responsibility of the authors to obtain approval for publication.

Publisher: SouthEast SAS Users Group, Inc.

Publication: SEASUG Proceedings, 2026

By agreeing to these terms and conditions, I/we – the authors listed in the submission – give the SouthEast SAS® Users Group, Inc., permission to publish the paper or poster included with this submission in their conference proceedings. In addition to the online proceedings hosted at the North Carolina State University Institute for Advanced Analytics and at Lex Jansen, permission is granted for other forms including printed, electronic, and other online versions. I/we further agree that all other rights to reproduce this work by anyone, other than the authors and SouthEast SAS® Users Group, Inc., are prohibited unless permission is received from the authors. Any reproduction, including the above, must appropriately credit the authors and the organizations that they represent. I/we represent the paper as an original work, and the author(s) and/or the organization that is being represented, in accordance with its regulations and policies, will retain any respective copyright. I/we understand and agree that the paper will be published as an educational work, and neither the paper nor the presentation will be used to promote any product and/or company. SouthEast SAS® Users Group, Inc. retains the right to request changes to any paper that is seen as a promotional vehicle.

☑ I acknowledge that all authors listed with this submission have read, and agree to, the provided terms and conditions regarding permission to publish for the 2026 Southeast and Atlantic SAS Users Group (SEASUG) Conference. Quick Hit presentations do not require paper submission, all other presentations are expected to have one. *
